MEMORANDUM FOR: Director, Office of Policy and Planning

FROM : [REDACTED]
Chief, International Terrorism Center
International Issues Division, OGI

SUBJECT : Agenda Item for DCI-Haig Breakfast

1. I was informed Saturday by members of the Policy Planning Staff, Department of State that they planned to propose that the DCI and Secretary Haig take up at their next breakfast meeting the desirability of forming an inter-Agency task force to assess reporting [REDACTED]

2. They had in mind a task force that would meet frequently--perhaps daily--and judge the quality of reports from all sources [REDACTED] The task force would be composed of selected analysts from those agencies that maintain an analytic capability in this area.

3. This idea stems from concerns regarding the uneven quality of the information reported and the desirability of examining and weighing such reports systematically, and reporting assessments to policy and operational consumers.
